PRINCIPAL'S MESSAGE

The message I leave with you this year is not one of my own origin. I do not know its source, but it is advice which I wish to share.

You cannot be shielded from all sorrow and pain, so be strong enough to bear it, if it comes.

Your path won't always be easy, so be sturdy enough to travel any path.

Hardship you'll surely face, so harbour no doubts and apprehensions in your heart.

Your sunshine may sometimes be broken, but keep your face bright even in the shadows.

Your life may not always be pleasant, but seek where man and his cause need you most, and be anxious to be there and help.

And therein you should find happiness.
